## About this Product Disclosure Statement

This Product Disclosure Statement (PDS) is an important document. You should read it carefully before making a decision to purchase this product.

This PDS will help you to:

- decide whether this product will meet **your** needs; and
- compare this product with other products you may be considering.

The information contained in this Introduction section and the Important Information section is general information. It is important you read the policy wording to ensure you have the cover you need.

Any terms in this PDS that are in **bold** are words that have a particular defined meaning. You should refer to the 'General Definitions' section of this document and definitions within the relevant sections to obtain the full meaning of such terms.

Headings have been included for ease of reference, but do not form part of the **policy**.

This PDS is made up of:

- this Introduction section.
- the Important Information section (beginning on page 4).
- the policy wording (beginning on page 14).

This combined FSG and PDS was prepared on 1 June 2026. It applies to policies incepting on or after 1 July 2026.

## Updating this PDS

Certain information in this PDS may change from time to time. If the updated information is not materially adverse from the point of view of a reasonable person deciding whether or not to purchase this product, a paper copy of the updated information will be available free of charge upon request, by contacting your broker or by contacting us using our contact details on the back page of this PDS.

Please note that we may also choose to issue a new or supplementary PDS in other circumstances.

# IMPORTANT INFORMATION

## About Steadfast

Steadfast Group Limited (Steadfast) is a public company. It includes a large network of insurance brokerages who operate in Australia as Steadfast Brokers. This **policy** is available exclusively to **you** through a Steadfast broker. Steadfast Group Limited does not issue, guarantee, or underwrite the **policy**.

## About Blue Zebra

Blue Zebra Insurance Pty Ltd (**BZI, we, us or our**) ABN 12 622 465 838, Australian Financial Services (AFS) Licence Number 504130, is an insurance underwriting agency and holds an AFS Licence to issue and provide general advice on general insurance products and to provide claims handline and settling services.

**BZI** arranges and administers the **policy** and can handle and settle claims under the **policy**. **BZI** acts under a binding authority for the **insurers** and not **you**.

## About the insurers

This insurance is jointly underwritten, for their respective shares, by:

- Chubb Insurance Australia Limited (Chubb) of Level 38, 225 George Street, Sydney NSW 2000 (ABN 23 001 642 020, AFSL 239687);
- AIG Australia Limited (AIG) of Level 19, 2 Park Street, Sydney NSW 2000 (ABN 93 004 727 753, AFSL 381686);
- HDI Global Specialty SE, acting through its Australian branch, HDI Global Specialty SE – Australia of Level 19, 20 Martin Place, Sydney NSW 2000 (ABN 58 129 395 544, AFSL 458776)

(the **insurers**).

Chubb, AIG and HDI's obligations under this **policy** are several and not joint. Each of their obligations are limited to the extent of their respective share of the risk, and each insurer is not liable for each other's share if any insurer does not satisfy any part or all its obligations under this **policy**.

## Important Information if you are insuring a home building

In terms of the Corporations Act 2001 (Cth) **we** are required to provide a PDS if **you** are insuring a home **building** under the property damage section or theft section of this **policy**.

A home **building** means a **building** that is used or intended to be used primarily as a place of residence and includes a home **building** that is a commercial premise in which **you** may also live or of which **you** rent a part of the **building** for residential use. Note that if **you** only use the **building** for residential purposes, it cannot be insured under this **policy**.

Note that since the purpose of this **policy** is to cover certain **business** related exposures, in the event that **you** are insuring a home **building** under the sections mentioned above, the cover provided under those sections differs from the prescribed **policy** for domestic home **buildings** and **contents** insurance contained in the Insurance Contracts Regulations.

## How to apply for this policy

Throughout this document when we are referring to **your** insurance broker or adviser, we simply refer to them as **your** broker.

If **you** are interested in buying this product or have any inquiries about it, **you** should contact **your** broker who should be able to provide **you** with all the information and assistance **you** require.

If **you** are not satisfied with the information provided by **your** broker, **you** can contact **us** at the address or telephone number shown on the back cover of this document. However, we are only able to provide factual information or general advice about the product. We do not give advice on whether the product is appropriate for **your** personal objectives, needs or financial situation. Therefore, **you** should carefully read this document before deciding whether to purchase this product or not.

## Cooling off period

After **you** apply for (or renew) a **BZI** product and **you** have received the PDS, **you** have **30 days** to check that the **policy** meets **your** needs. Within this time, **you** may cancel the **policy**, effective from the start date of the **period of insurance**, and receive a full refund of any premiums paid (less any non-refundable government charges, taxes and levies that we have paid and are not recoverable), unless:

- **you** have made a claim under **your** **policy**; or
- **you** have exercised any right or power **you** have in respect of **your** **policy** or the **policy** has ended.

**Your** request needs to be provided to **us** via **your** Steadfast broker.

**You** can cancel **your** **policy** at any time after the cooling-off period. Please refer to 'Cancellation rights' under the 'General policy conditions applicable to all Sections'.

## Our contract with You

**You** must pay **us** or **your** broker the agreed premium by the date due, to ensure there is cover under this **policy**. If we accept a claim under this **policy**, **you** will always need to pay **us** the premium due. **Your** **policy** is a contract of insurance between **you** and the **insurers** and contains all the details of the cover that we provide.

**Your** **policy** is made up of:

- This PDS, which incorporates the policy wording, tells **you** what is covered, sets out the claims procedures, exclusions and other terms and conditions of cover;
- **Your** **schedule** issued by **us** for the relevant **period of insurance**. The **schedule** is a separate document unique to **you**, which shows the insurance details relevant to **you**. It includes any agreed changes, exclusions, terms and conditions made to suit **your** individual circumstances; and
- Any other written change otherwise advised by **us** in writing (such as an **endorsement** or a supplementary PDS). These written changes vary or modify the above documents.

This document is also the PDS for any offer of renewal we may make, unless we tell you otherwise. Please keep your policy documents in a safe place.

Unless stated otherwise in the policy, if there is more than one insured on the policy, then anything which any of the insureds says, does or omits to advise to us, applies to and affects the rights of all of the insureds.

If you require further information about this product, please contact your broker.

## Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that you should be aware of when deciding to purchase our product. These things may affect the amount of the payment that we will make under a claim on this policy.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of your sum insured shown in your schedule or some other amount, factor or item specified in the relevant clause or this document.

You should be aware of the following matters in considering whether this product is suitable for your needs.

### Exclusion for new business policies

There is no cover under this policy for bushfire, flood or a cyclone named by the Bureau of Meteorology in the first 72 hours from the start date shown in your schedule. Very limited exceptions apply. For full details see the 'Exclusions' within the 'Property Damage' section.

### Excesses can apply

For each of the available covers, an excess may apply. What excess applies is defined within each section.

### Exclusions

This policy contains a number of exclusions, some of which are common in insurance policies. Before making a decision about whether to purchase this policy, you should read the full details of all relevant exclusions, which are contained in this PDS. You should make yourself aware of all the exclusions that apply in all sections of this PDS.

### General terms and conditions

General terms and conditions applicable to all cover provided under this policy set out your obligations with which you need to comply. Please refer to the 'General terms and conditions' section.

In addition, you should make yourself aware of all the terms and conditions that apply to the various covers detailed within this policy. If you or someone else (to the extent they would normally be covered under this policy) claim on this policy and do not meet them, we may be able to decline or reduce the claim payment or cancel your policy.

## Make sure you have the cover you need

You should discuss with **your** Steadfast broker the appropriate amounts and risks for which **you** need to be insured. If **you** do not adequately insure for the relevant risks **you** may have to bear any uninsured losses yourself.

You should also advise **your** Steadfast broker to notify us as soon as possible when **your** circumstances change which are relevant to **your** policy. For instance, **you** may need to consider increasing **your** sum insured if **you** purchase expensive items of **contents** like jewellery. If **you** do not tell **your** Steadfast broker of these changes, in the event of **you** suffering a loss or damage, **your** sum insured may not be adequate to cover **your** loss, or **you** may not even have any cover under **your** policy.

## Your duty of disclosure

Before **you** enter into this contract of insurance, **you** have a duty of disclosure under the Insurance Contracts Act 1984 (Cth).

If we ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell us anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

**You** have this duty until **we** agree to insure **you**. **You** have the same duty before **you** renew, extend, vary or reinstate an insurance contract. **You** do not need to tell us anything that:

- reduces the risk **we** insure **you** for;
- is common knowledge;
- **we** know or should know as an insurance provider; or
- **we** waive **your** duty to tell us about.

### If you do not tell us something

If **you** do not tell us anything **you** are required to tell us, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell us is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

## Renewal

At least 14 days before the **policy** expires, **we** will provide **you** a notice, offering **our** renewal terms, or explaining the reason for not renewing **your** policy. If **we** offer to renew **your** policy, **you** are not obliged to renew the **policy** with us. **We** recommend that **you** check the insured amounts to make sure they continue to cover **your** needs.

If **your** nominated method of paying **your** premium is by direct debit, and **you** decide to renew this **policy**, then **we** will continue to debit **your** nominated bank account or credit card for the remainder of the **period of insurance**. If **you** pay **your** premium annually, **you** must pay the full amount by the due date shown in **your** renewal invitation in order for cover to continue into the renewed **period of insurance**.

This PDS (together with any amendments, updates or **endorsements** that **we** give **you** in writing) also applies for any offer of renewal **we** make, unless **we** tell **you** otherwise or provide **you** with a new updated PDS.

**Your** cooling-off period applies on each renewal. See 'Cooling off information' for details.

Each renewal is a separate contract and not an extension of the prior contract.

## How We determine Your premium

The amount of **your** premium is determined by taking a number of different factors into account.

It is important for **you** to know that the premium varies depending on the information **we** receive from **you** about the risk to be covered by **us**. Based on **our** experience and expertise, **we** decide what factors increase **our** risk and how they should impact on the premium.

For this product the following are some of the factors that are taken into consideration when determining the appropriate premium:

- the nature of the **business**;
- the location of the insured address;
- your nominated **sum insured**;
- the **excess** **you** have chosen;
- whether **you** have chosen any optional covers or not;
- **your** claims history.

**Your** broker can arrange for **you** to be provided with a quote for a premium. **You** will need to give relevant personal details to **your** broker at this time to enable **us** to calculate **your** premium.

Another important thing to know is that **your** premium also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Insurance Duty, Goods and Services Tax (GST) and Emergency Services Levy) in relation to **your** **policy**. These amounts will be set out separately on **your** **schedule** as part of the total premium payable.

Also, minimum premiums may apply. Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum premium is not reached.

**BZI** may also add an agency fee to the premium that is charged, and this will be shown in **your** **schedule**. The agency fee will only be refunded when the **policy** is cancelled within the cooling-off period or where the cancellation is effective from the start of the **period of insurance**.

### Terrorism and Cyclone Insurance Act

**We** have determined that this **policy** (or part of it) is a **policy** to which the Terrorism and Cyclone Insurance Act 2003 applies. **We** may reinsure part or all of **our** liability under the Terrorism and Cyclone Insurance Act 2003 with the Commonwealth Government reinsurer, the Australian Reinsurance Pool Corporation (ARPC).

As a consequence, **we** may be required to pay a premium to the ARPC and that amount (together with the cost of that part of the cover provided by **us** and administrative costs associated with the legislation) is reflected in the premium charged to **you**. As with any other part of **our** premium, it is subject to Government taxes and charges such as GST, Stamp Duty and where applicable, Fire Service Levy.

For further information contact **BZI** or **your** Steadfast broker.

## How to pay your premium

There are two ways that **you** can pay **your** premium:

- an annual payment to **your** insurance broker; or
- if provided, an annual payment directly to **BZI** from **your** credit card or from **your** bank account which can be arranged by **you** or **your** insurance broker.

### How to pay your premium via your insurance broker

If **you** are paying **your** annual premium via **your** insurance broker, **you** must pay them by the due date shown in **your** schedule. If **your** premium is unpaid after the due date **we** may be entitled to reduce or refuse to pay a claim or cancel this **policy**.

### How to pay your annual premium directly to BZI

If **you** are paying **your** annual premium directly to **BZI**, **we** will deduct **your** annual premium from **your** nominated bank account or credit card within three business days after the day the details of the credit card or bank account have been provided to **us**.

If an attempt to deduct **your** annual premium is dishonoured for any reason, **we** will notify **you** and/or **your** broker and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct the annual premium.

After three unsuccessful attempts to deduct the annual premium, **we** may cancel this **policy**. **We** will send a notice to **you** and/or **your** broker with details of the action **we** intend to take and when the cancellation will become effective.

## Cancellation

**You** may cancel **your** **policy** at any time after the cooling-off period, See 'Cancellation rights' on page 29 in 'General Terms and Conditions' for details

## About making a claim

### How to make a claim

If **you** need to make a claim under this **policy**, please contact **your** broker to assist **you** in lodging the claim with **us**.

Alternatively, if it is an emergency outside business hours or **you** would like to lodge the claim with **us** directly, please use one of the following methods to do so:

## General Insurance Code of Practice

The insurers are all signatories to the General Insurance Code of Practice ('Code') and BZI also proudly supports the Code. The Code is monitored and enforced by the Code Governance Committee.

The Code, which is written in plain English, sets out the standards that general insurers must meet when providing services to their customers, such as being open, fair and honest.

It also sets out timeframes for insurers to respond to claims, complaints and requests for information from customers.

The Code covers many aspects of a customer's relationship with their insurer, from buying insurance to making a claim, to providing options to those experiencing financial hardship, to the process for those who wish to make a complaint.

A copy of the General Insurance Code of Practice can be found at [www.codeofpractice.com.au](http://www.codeofpractice.com.au).

The insurers of this policy are authorised under the Insurance Act 1973 (Cth) to carry on general insurance business in Australia. As such, they are subject to prudential requirements and standards, regulated by the Australian Prudential Regulation Authority (APRA).

This policy may be a protected policy under the Federal Government's Financial Claims Scheme (FCS) which is administered by APRA.

The FCS may apply in the unlikely event that a general insurance company becomes insolvent. If the FCS applies, a person who is entitled to make a claim under this insurance policy may be entitled to a payment under the FCS. Access to the FCS is subject to eligibility criteria.

Further information about the FCS can be obtained at [www.fcs.gov.au](http://www.fcs.gov.au).

Assist other people within **your** capabilities if required. Take reasonable steps to prevent further loss, damage or liability.

Notify the police as soon as reasonably possible if any of **your** property is lost, stolen, or maliciously damaged and provide the police with all assistance to apprehend the offending party.

Advise us of the claim as soon as practicable and then supply us with full written details by completing **our** claim form. **You** or someone acting on **your** behalf must complete a claim form within a reasonable time of an occurrence. If **you** do not, we may reduce the amount we pay if the delay causes increased costs or prevents us investigating the claim.

Any invoices, bills, demands letters or notices **you** receive from other people involved in the loss, damage or accident or other insured event must be sent to us as soon as possible.

##### b. What you must not do after a loss, damage accident or other insured event

**You** must not admit fault or agree to pay for loss, damage or liability without **our** consent. Do not make an offer, settle, or attempt to settle any claim against **you**. If **you** do, we may reduce or refuse **your** claim to the extent we are prejudiced.

**You** must not incur any costs or expenses or authorise repairs (other than necessary temporary repairs) without **our** agreement. Please contact us to confirm approval before authorising any repairs.

#### 6. Excesses

If a claim arises from an event and **you** can obtain cover under more than one section, **you** will only be required to pay the highest single excess applicable regardless of the number of excesses applying to the individual sections.

Sum insureds, limits of liability and sub-limits shall apply in addition to, and shall not be reduced by, the amount of any applicable excess.

## 7. Claims preparation expenses

We will pay for costs necessarily and reasonably incurred for the preparation and negotiation of a claim for which we agree to indemnify you under the policy. The most we will pay is \$25,000 in total any one claim or series of claims, arising out of the same event or events. This is in addition to the specified amount within the applicable section.

In order to be sure that you are covered under this policy you should always contact us for approval before you incur costs you wish to claim. If you do not, we will pay for costs incurred up to the amount we would have authorised had you asked us first.

This benefit is in addition to any sum insured or limit of liability.

## 8. Premium funders

If the premium has been funded by a premium funding company which holds a legal right over the policy by virtue of a notice of assignment and irrevocable power of attorney, a refund will be made to the premium funding company of the proportionate part of the premium applicable to the unexpired period of insurance.

## 9. Sanctions

Notwithstanding any other terms or conditions under this policy, we shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to you or any other party to the extent that such cover, payment, service, benefit or any business or activity you undertake, would violate any applicable trade or economic sanctions, law or regulation.

## 10. Designation of property

For the purpose of determining under which item any property is insured, we agree to accept the designation under which such property appears in your books of account.

Provided always that this general policy condition shall not apply to the Theft section with respect to tobacco/cigarettes.

Furthermore, under the Theft section, stock does not include alcohol and tobacco/cigarettes, unless they are specified in the schedule.

## 11. Emergency mitigation costs

In the case of an emergency where the property insured is covered by your policy, we give you the authority to arrange these emergency repairs on our behalf.

## 12. How Goods and Services Tax (GST) affects any payments we make GST Notice

Where **you** are registered as a **business** and have an Australian Business Number, **you** must advise us of **your** correct **input tax credit** percentage each time that **you** make a claim under this **policy**.

**We** will not indemnify **you** for any GST liability, fines or penalties that arise from or are attributable to **your** failure to notify us of **your** entitlement (or correct entitlement) to an **input tax credit** on the premium.

The **sum insured** values that **you** choose should exclude GST and all dollar amounts in this PDS are exclusive of GST unless stated otherwise.

In the event of a claim, if **you** are not registered for GST, **we** will reimburse **you** the GST component, in addition to the amount **we** pay **you**. If **you** are registered for GST the amount that **we** are liable to pay under this policy will be reduced by the amount of any **input tax credit** that **you** are or may be entitled to claim for the supply of goods or services covered by that payment.

If **you** are unsure about the taxation implications of this policy, **you** should seek advice from **your** accountant or tax professional.

## 13. Inflation protection

To protect **you** from the effects of inflation and to reduce the risk that **you** will be underinsured, if **you** have cover under the property damage section, **we** will automatically increase the **sum insured** each year in line with the most appropriate price indices (as determined by us).

The new premium and relevant government charges will be based on the new **sum insured** shown in the **schedule**.

This automatic **sum insured** adjustment at renewal does not replace **your** responsibility for reviewing the **sum insured** at renewal. **You** are not required to accept the revised **sums insured** and can ask us to amend them at any time.

## 14. Inspections

**We** (or agents appointed by us) have the right to inspect and examine, by mutual appointment, any **property insured** at reasonable times and frequency.

## 15. Jurisdiction

The **policy** is governed by the laws of **Australia**. All disputes arising out of or under the **policy** shall be subject to determination by any court of competent jurisdiction within the exclusive jurisdiction of an Australian Court within the State or Territory in which the **policy** was issued.

## 16. Other persons or organisations

The insurable interest of only those lessors, financiers, trustees, mortgagees, owners and all other parties having a legal interest or charge over the **property insured** shall be automatically included to the limited extent of their insurable interest only as provided under section 49 of the Insurance Contracts Act without notification or specification. The nature and extent of such interest is to be disclosed to us in the event of any claim covered by the **policy**. Any other people not in this category or not named in the **schedule** are not covered and cannot make a claim.

Where the separate interests of more than one party in the **property insured** are insured under the **policy**, any act or neglect of one party will not prejudice the rights of the remaining party or parties, provided that the remaining party/ies are entirely innocent of and have no prior knowledge of any such act or neglect whereby risk of loss, damage or destruction has increased, given notice in writing to us and shall pay such reasonable additional premium as we may require in order to maintain cover for the increased risk that we may agree to provide as a result of the act or neglect.

**You** cannot transfer the **policy** into someone else's name without our written consent. We will not unreasonably withhold our consent.

All persons entitled to claim under the **policy** are bound by the terms and conditions of the **policy**.

When a claim is paid under the **policy** and is also recoverable under another policy or policies, **you** agree to permit us to seek contribution from the other insurer or insurers.

### 17. Our maximum liability

Except as otherwise stated elsewhere in the **policy**, the maximum amount we will pay will not exceed the amount stated in the **schedule** as the **sum insured** or the limit of liability or the **limit** for those sections covered.

The **sum insured**, limit of liability and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable excess.

### 18. Non-imputation

Where this insurance is arranged in the joint names of more than one insured, as described in the definitions of **you**, it is hereby declared and agreed that:

- a. each insured shall be covered as if it made its own proposal for this insurance;
- b. any declaration, statement or representation made in any proposal shall be construed as a separate declaration, statement or representation by each insured;
- c. any knowledge possessed by any insured shall not be imputed to the other insured(s).

However, the above does not have the effect of applying the **sum insured**, limit of liability and sub-limits of liability individually to each such insured.

### 19. Pairs or sets

Any item of **contents** or **specified items** that are part of a pair or set, the **sum insured** applies to the pair or set.

### 20. Progress payments

We will make progress payments on claims at intervals to be agreed by us following receipt of an interim report from our loss adjuster or representative.

We will not unreasonably withhold progress payments.

## 21. Reasonable care

You must take reasonable precautions to prevent loss, personal injury, property damage and liability as if you were not covered by the **policy** such as (but not limited to):

2. maintain and look after other person's or organisation's property and **buildings** used or occupied by you, in accordance with your agreement with them;

- Property Damage
- Business Interruption
- Theft
- Money
- Glass

- b. the section is an operative section of the **policy**.

The following conditions apply:

- i. we will not reinstate the **sum insured** on the **Property Damage** or **Business Interruption sections** if we have paid a total loss under either of these sections;
- ii. with respect to the **Employee Dishonesty section**, the amount by which the **sum insured** is reinstated shall be available only in respect of acts of fraud or dishonesty committed after such reinstatement.

#### 24. Repairs to damage by you

#### 27. Single event

#### 28. Subrogation and recoveries

Notwithstanding Section 67 of the Insurance Contracts Act (Cth), monies recovered in subrogation proceedings will be applied, net of the expense of such recovery:

- a. first to **you** to the extent of **your** uninsured loss in respect of a claim paid under a **section** of the **policy** (disregarding the amount of any **excess** applicable);
- b. secondly to us in reimbursement of the amount paid to **you** in respect of that claim under that **section**; and
- c. thirdly to **you** in satisfaction of any **excess** amount applicable.

Any other monies remaining after these allocations will be **your** property.

## 29. Waiver of subrogation rights

We will not be liable to pay any benefits under the **policy** for loss, damage or liability if **you** agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate **you** with respect to that loss, damage or liability to the extent that **your** loss would have been recoverable from the third party but for the agreement. ### What you are covered for

Provided “Property Damage” is shown as taken in the **schedule**, we will cover you for accidental physical loss of or physical damage to **your property insured at the premises** during the **period of insurance**.

## How we settle your claim

The maximum amount we will pay for any one event under this section is the **limit of liability** except:

- a. for **specified items**, the maximum we will pay for each **specified item** is the **sum insured** shown in the **schedule** for that item;
- b. for **unspecified contents** that are works of art, antiques and curios, the maximum we will pay is up to \$10,000 for each item;
- c. where it is specifically stated in this section that payments are made in addition to this amount.

There are two (2) methods of paying **your claims**. They are 'reinstatement or replacement' basis and 'indemnity value'. The method **you** have chosen is shown in **your schedule**.

### 1. Building(s) or contents - reinstatement or replacement

If **your schedule** shows 'Reinstatement or replacement' as the Method of settlement, when **building or contents** are lost or damaged we will:

- a. pay the cost of rebuilding, replacing or repairing any damaged part of **your property insured** to the same condition as when they were new or, where appropriate, in accordance with the "output replacement" clause set out below;
- b. rebuild the **buildings** at the **premises** shown in **your schedule** or, at **your option**, at another site;
- c. replace **contents** with similar property;
- d. if the **contents** are works of art, antiques and curios pay **you** the amount of valuation by the Auctioneers and Valuers Association of Australia.

Reinstatement or replacement is subject to the following conditions:

- i. If the **property insured** is lost or damaged **you** must commence to rebuild, replace or repair within a reasonable time of the loss or damage, after **our** consent has been obtained. If **you** do not, **we** will pay no more than the cost that would have been incurred if the work of rebuilding, replacement or reinstatement has been commenced and carried out with reasonable dispatch. **We** will extend this period to the extent that **we** caused or contributed to the delay.
- ii. when rebuilding at another site, **we** will not pay more than **we** would pay to rebuild at the **premises**;
- iii. when any **property insured** is damaged, but not destroyed, **we** will not pay more than the amount which would have been called upon to pay for if that property had been destroyed; and
- iv. **We** will only pay to return the **property insured** to a condition substantially the same as, but not better or more extensive than its condition when new, using building materials readily available and in common use in **Australia**.

## 2. Stock- reinstatement or replacement

If **stock** is lost or damaged, we will, at our option (acting reasonably):

- a. pay the **market value** of the **stock** at the time of the loss or damage;
- b. pay **you** the **market value** of **obsolete stock** or its purchase price (net of GST), whichever is the lesser, but no more than the original cost to **you**;
- c. replace or repair the **stock** with property or materials equal to or of a similar standard and specification as the **stock** at the time it was lost or damaged; or
- d. pay the cost of repair or replacement of the lost or damaged **stock**.

## 3. Specified items

When **specified items** are lost or damaged and owned as **contents**, we will pay as set out under the heading “How we settle your claims’ ‘1. Building(s) or contents - reinstatement or replacement’.

When **specified items** are lost or damaged and owned as **stock**, we will pay as set out under the heading “How we settle your claims’ ‘10. Stock – reinstatement or replacement’.

The maximum we will pay for each **specified item** is the **sum insured** shown in the **schedule** for that item.

## 4. Indemnity

If **your schedule** shows ‘Indemnity’ as the method of settlement, when **building** or **contents** are lost or damaged we will:

- a. repair, reinstate or replace the **building** or **contents**;
- b. pay **you** the **market value** of the **building** or **contents** at the time of its loss or damage; or
- c. pay the cost of repair or replacement.

In all cases, where appropriate, we will reduce the amount we pay **you** to take into account age, wear, tear and depreciation.

## 5. Branded Stock

We will not sell **branded stock** as salvage without **your** consent. If such salvage is not disposed of by sale, then the goods may be retained by **you** and disposed of as **you** see fit provided a reasonable salvage allowance is agreed with us for the value of the goods.

## 6. Electronic equipment and software

If electronic equipment and software is damaged, we will pay the costs incurred in the repair, restoration and reinstallation of data and software, to replicate the operational capability of the system to a level commensurate with that existing prior to the damage.

## 7. Extra cost of reinstatement

If **you** are insured under this section on a reinstatement or replacement basis, we will also pay the extra costs of reinstatement or replacement of **property insured** which are necessarily incurred to comply with the requirements of any Act of Parliament or regulations or any by-law or regulation of any Municipal or other statutory authority, other than those relating to the heritage status of a **building**.

## 8. Extra cost of reinstatement: Heritage building

If **you** are insured under this **section** on a reinstatement or replacement basis for loss or damage to any **building** that is subject to any heritage listing or protection and **you** choose to rebuild, replace or repair the **building** at the same location, **we** will pay the extra costs of repairing, replacing, or reinstating the **building**, that are related to obtaining special materials or employing specialised labour to match up or reproduce unique or distinctive ornamental or architectural features of the **building** to comply with standards imposed by any lawful heritage protection authority.

**We** will not pay more than the cost necessary to rebuild, replace or repair any such heritage listed **building** to a reasonably equivalent appearance and capacity using original design and suitable modern equivalent materials readily available and in common use in **Australia**, if the original materials are not available.

## 9. Conditions which apply to (7) Extra cost of reinstatement and (8) Extra cost of

The following conditions apply:

- a. the work of reinstatement, must be commenced and carried out within a reasonable period, failing which **we** will not pay more than the amount which would have been payable under the **policy** if the work of reinstatement had been commenced and carried out with reasonable dispatch;
- b. the work of reinstatement may be carried out wholly or partially upon any other site, if the requirements of the Act, regulation or by-law necessitate it, subject to our liability not being increased.
- c. the amount recoverable shall not include the additional costs incurred with complying with any such Act, regulation or by-law or requirement with which **you** have been required to comply prior to the happening of the damage.

**Our** total liability under clauses 7,8 & 9 will be limited to:

- i. the **sum insured** shown in the **schedule** for “Extra cost of reinstatement” which shall be in addition to the **limit of liability**, or
- ii. the balance of the **limit of liability** at the **premises**, whichever is the greater.

The ‘Underinsurance’ condition in ‘Specific conditions applicable to this section’ will not be applied to the amount payable under clauses 7, 8 & 9.

## 10. Loss of floor space

If a **building** insured under this **section** on a reinstatement or replacement basis can only be rebuilt with a reduced floor space as a result of:

- a. any Act of Parliament or regulation thereunder, or
- b. any by-law or regulation of any municipal or other statutory authority,

**We** shall pay, in addition to the amount payable on reinstatement of such **buildings**, the difference between:

- i. the actual costs incurred in reinstatement subject to the reduced floor space ratio index (plot ratio), and
- ii. the estimated cost of reinstatement at the time of damage had the reduced floor space ratio index (plot ratio) not applied.

## 11. Output replacement

Where any **property insured** consists of equipment, machinery or plant having a measurable function, capability or output and if it is necessary to replace such property with a new item or items which perform a similar function or functions, then the basis of settlement for such property shall be:

- a. where any **property insured** is to be replaced with any item or items which have the same or a lesser total function, capability or output, then the basis of settlement is the new installed cost of such replacement item or items as would give the same total function, capability or output as the **property insured**;
- b. where any **property insured** is to be replaced with an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that **property insured**, then the basis of settlement is the new installed cost of the item or items so replaced;
- c. where any **property insured** is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the **property insured**, then the basis of settlement is the lesser of the reinstatement value or that proportion of the new installed cost of the replacement item or items which the output of the **property insured** damaged bears to the output of the replacement item or items. If the reinstatement value of the damaged **property insured** is not ascertainable then the basis of settlement is the new installed cost of the replacement item or items.

## 12. Undamaged portions of the Buildings

When a damaged **building** has to be rebuilt at a location other than the **premises** because the requirements of any lawful authority prevent the reinstatement of the **building**, then the abandoned undamaged portion of the **building** including the foundations and services shall be deemed to be destroyed.

Provided that, if the presence of such undamaged portion of the **building** increases the value of the original site, the increased sale value shall be regarded as salvage and the amount thereof shall be payable to us by you upon completion of the sale of the site or shall be deducted from the total amount otherwise payable by us under this section, whichever shall first occur.

Should the site not be sold, then the increased site value, when applicable shall be agreed between you and us, or in default, we and you shall submit to arbitration and be bound by the decision of the arbitrator.

## Excess

The **excess** that applies is shown in the **schedule**.

- a. \$20,000, or
- b. 1% of the total **sum insured** at the damaged **premises**

whichever is the lesser, of each claim caused by earthquake, volcanic eruption, subterranean fire or tsunami.

If a tenant of **yours** or a tenant of **your** landlord (but not **you**) without **your** consent, causes or contributes to any loss or damage covered by this **section** which is in breach of any terms or conditions, we will cover **you** for **your** loss or damage as per this **section**, provided:

In the event of loss or damage covered under this section for claims settled on:

This condition will not apply:

- b. to property forming part of the **property insured** which has been insured under this **policy** for the full value stated in a valuation prepared by an 'Approved Valuer' not less than three years before the commencement of the **period of insurance**, and which an 'Approved Valuer' has updated not more than 12 months prior to the commencement of the **period of insurance**.

'Approved valuer' means a certified practising valuer registered with the Australian Property Institute within the relevant property discipline.

## Claims examples

Below are some examples of how, when you are insured on a 'Reinstatement or replacement basis', the application of condition '4. Underinsurance' can result in a reduction of the amount we pay you if you did not adequately insure.

These examples are a guide only and do not cover all potential scenarios or benefits that may be paid under this policy. They do not form part of the policy terms and conditions.

### Example 1 – underinsurance does not apply

- You take out a policy where the total sum insured for all property insured at the premises is \$60,000.
- The limit of liability for the premises is \$72,000<sup>b</sup>.
- The cost to reinstate or replace all the property insured at the premises is \$75,000.
- 80% of the cost to reinstate or replace all the property insured at the premises is \$60,000<sup>d</sup>.
- You make a claim for a loss to the property insured of \$100,000.

\$72,000<sup>b</sup> is greater than \$60,000<sup>d</sup> – underinsurance does not apply.

As the total sum insured for all property insured at the premises is not less than eighty percent (80%) of the cost to reinstate or replace all the property insured at the premises underinsurance will not apply.

### Example 2 – partial loss

- You take out a policy where the total sum insured for all property insured at the premises is \$60,000.
- The limit of liability for the premises is \$72,000<sup>b</sup>.
- The cost to reinstate or replace all the property insured at the premises is \$100,000.
- 80% of the cost to reinstate or replace all the property insured at the premises is \$80,000<sup>d</sup>.
- You make a claim for a loss to the property insured of \$40,000<sup>e</sup>.

\$72,000<sup>b</sup> is less than \$80,000<sup>d</sup> – underinsurance applies.

Our payment to you would be reduced to \$36,000, less any excess, calculated as follows:

$\$40,000^e \times \text{the percentage of } \$72,000^b / \$80,000^d = \text{so } \$40,000^e \times 90\%$

### Example 3 – total loss

- a. You take out a policy where the total sum insured for all property insured at the premises is \$250,000.
- b. The limit of liability for the premises is \$300,000<sup>b</sup>.
- c. The cost to reinstate or replace all the property insured at the premises is \$465,000.
- d. 80% of the cost to reinstate or replace all the property insured at the premises is \$372,000<sup>d</sup>.
- e. You make a claim for a loss to the property insured of \$465,000<sup>e</sup>.

\$300,000<sup>b</sup> is less than \$372,000<sup>d</sup> – underinsurance applies.

The maximum amount we will pay is the limit of liability<sup>b</sup>, so our payment to you would be reduced to \$300,000, calculated as follows:

$\$465,000^e \times \text{the percentage of } \$300,000^b / \$372,000^d = \$375,000$ , so, \$300,000<sup>b</sup>

- e. we have paid for or admitted liability in respect of such **damage to your property insured** under the relevant section of **your policy**, or another insurer has paid for or admitted liability in respect of such **damage**;
- f. we would have paid for or admitted liability in respect of such **damage** under the relevant section of this **policy**, or another insurer would have paid for or admitted liability in respect of such **damage**, and it would otherwise be covered under the relevant section but for the application of an **excess**; and
- g. our liability in no case will exceed in respect of each item the **sum insured** shown in the **schedule** for that item.

Insurance on an ‘Insurable gross profit basis’ provides protection with regard to loss under the following items where a **sum insured** is shown for these in the **schedule**:

Item 1. Gross Profit

Item 2. Additional increase in cost of working

Item 3. Accounts receivable

Item 4. Claim preparation expenses

Item 5. Loss of Rent Receivable

### How we settle your claim

#### Item 1. Gross Profit.

This item is limited to the loss of **gross profit** due to a reduction in **turnover** and the increase in **your cost of working**.

The amount payable as indemnity under this item will be:

- a. in respect of reduction in **turnover**:  
the sum produced by applying the **rate of gross profit** to the **shortage in turnover** during the **indemnity period**, and
- b. in respect of the increase in cost of working:  
the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **turnover** which, but for the additional expenditure, would have taken place during the **indemnity period** in consequence of

the **damage**, but not exceeding the sum produced by applying the **rate of gross profit** to the amount of reduction thereby avoided,

less any sum saved during the **indemnity period** in respect of such charges and expenses of **your business** payable out of **gross profit** as may cease or be reduced in consequence of the **damage**.

**Gross profit underinsurance provision:**

If the **sum insured** shown in the **schedule** for 'Insurable Gross Profit' at the commencement of each **period of insurance** is less than eighty percent (80%) of your annual **gross profit** (or its proportionately increased multiple where the **indemnity period** exceeds twelve months), the amount payable will be proportionately reduced.

This provision will not apply if your claim is for less than 10% of the **sum insured** for this item.

Underinsurance calculation example:

You make a claim for a reduction in **gross profit** totalling \$400,000<sup>a</sup>.

The **sum insured** shown in the **schedule** for 'Insurable Gross Profit' is \$600,000<sup>b</sup> with a twelve (12) month **indemnity period**.

Your **gross profit** for the year immediately prior to the date of the insured damage was \$1,000,000.

80% of the **gross profit** for the year immediately prior to the date of the insured damage is \$800,000<sup>c</sup>.

Our payment to you would be reduced to \$300,000<sup>d</sup>, less any **excess**.

$$\$400,000^a \times \text{the percentage of } \$600,000^b / \$800,000^c = \$300,000^d$$

- f. we would have paid for or admitted liability in respect of such **damage** under the relevant section of this **policy**, or another insurer would have paid for or admitted liability in respect of such **damage**, and it would otherwise be covered under the relevant section but for the application of an **excess**; and
- g. our liability in no case will exceed in respect of each item the **sum insured** shown in the **schedule** for that item.

Insurance on an ‘Annual revenue basis’ provides protection with regard to loss under the following items where a **sum insured** is shown for these in the **schedule**:

## How we settle your claim

- b. in respect of the increase in cost of working:  
the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of **revenue** which, but for the additional expenditure, would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the amount of reduction in **revenue** thereby avoided.

We will reduce the amount we will pay by the amount saved during the **indemnity period** for charges and expenses of **your business** which cease or are reduced as a consequence of the loss or **damage** covered by this section.

#### Annual revenue underinsurance provision:

If the **sum insured** shown in the **schedule** for 'Annual Revenue' less than eighty percent (80%) of the annual **revenue** (or its proportionately increased multiple where the **indemnity period** exceeds twelve months), the amount payable will be proportionately reduced.

This provision will not apply if **your claim** is for less than 10% of the insured amount for this item.

#### Underinsurance calculation example:

**You** make a claim for a reduction in **revenue** totalling \$400,000<sup>a</sup>.

The **sum insured** shown in the **schedule** for 'Annual Revenue' \$600,000<sup>b</sup> with a twelve (12) month **indemnity period**.

80% of the **revenue** for the year immediately prior to the date of the insured damage is \$800,000<sup>c</sup>.

Our payment to you would be reduced to \$300,000<sup>d</sup>, less any **excess**.

$$\$400,000^a \times \text{the percentage of } \$600,000^b / \$800,000^c = \$300,000^d$$

## Common Clauses

The following clauses are applicable to 'insurable gross profit basis' and 'annual revenue basis':

### Accumulated Stocks

In adjusting any loss, we will take into account any reduction in **turnover** or loss of **revenue** in consequence of the **damage** is postponed by reason of the **turnover** or loss of **revenue** (as the case may be) being temporarily maintained from accumulated **stocks** of finished goods.

### Alternative trading

If during the **indemnity period**, goods are sold, work is performed or services are rendered elsewhere than at the **premises** for the benefit of **your business** either by **you** or by others acting on **your** behalf, the **money** paid or payable in respect of such sales, work or services will be brought into account in arriving at the **turnover** or loss of **revenue** (as the case may be) during the **indemnity period**.

### Item 2. Additional increase in cost of working

The insurance under this item is limited to increase in cost of working (not otherwise recoverable hereunder) necessarily and reasonably incurred during the **indemnity period** in consequence of the **damage** for the purpose of avoiding or diminishing reduction in **turnover** or **revenue** and/or resuming and/or maintaining normal **business** operations and/or services.

We will not pay more for any one event than:

- a. \$25,000; or
- b. the **sum insured** for 'Additional increase in cost of working' shown in the **schedule**; whichever is the greater.

### Item 3. Accounts receivable

Under this item we will pay **you** up to the amount shown in the **schedule** for all sums due to **you** from debtors that **you** are unable to collect because of **damage** to records of accounts receivable. We will also pay collection expenses in excess of normal collection costs made necessary because of the **damage** as well as interest charges at the ruling rate of **your** bank on any loan to offset impaired collections pending repayment of such sums made uncollectible by such **damage**. If **you** cannot accurately establish the total amount of accounts receivable outstanding as at the date of the **damage**, the amount will be computed as follows:

- a. determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the **damage** occurs;
- b. calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the year immediately preceding the month in which the **damage** occurs, as compared with such average for the same months of the preceding year;
- c. the amount determined under (a), increased or decreased by the percentage calculated under (b) above, will be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said **damage** occurs; and

- 
- d. the amount determined under (c) above will be increased or decreased in conformity with the normal fluctuation in the amount of accounts receivable during the fiscal month involved, consideration being given to the experience of **your business** since the last day of the last fiscal month for which statements have been rendered less:
    - i. the amounts of such accounts evidenced by records not suffering **damage** or otherwise established or collected by **you**;
    - ii. an amount to allow for probable bad debts that would normally have been uncollectable by **you**;
    - iii. all unearned interest and service charges; and
    - iv. settlement or term discounts normally allowed.

We will not pay more for any one event than:

- a. \$7,500; or
  - b. the **sum insured** for 'Accounts receivable' shown in the **schedule**;
- whichever is the greater.

#### **Item 4. Claim preparation expenses**

In addition to the amount payable under 'General policy conditions applicable to all sections', 'Claims preparation expenses' of the **policy we will pay you** up to \$10,000 or the amount shown in the **schedule** whichever is higher, for the costs of such reasonable professional fees as may be payable by **you** and other such reasonable expenses necessarily incurred by **you** and not otherwise recoverable, for preparation and negotiation of claims under this **section**.

#### **Item 5. Loss of rent receivable**

The amount payable under this item will be:

- a. in respect of loss of **rent receivable**:

the amount by which the **rent receivable** during the **indemnity period** falls short of the **standard rent receivable**, in consequence of the **damage**, and
- b. in respect of additional expenditure:

the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of **rent receivable** which, but for that expenditure, would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the amount of the reduction in **rent receivable** thereby avoided,

less any sum saved during the **indemnity period** in respect of such charges and expenses of **your business** payable out of **rent receivable** as may cease or be reduced in consequence of the **damage**.

#### **Loss of rent receivable underinsurance provision:**

If the **sum insured** shown in the **schedule** for 'Loss of Rent Receivable' is less than eighty percent (80%) of the annual rent receivable (or its proportionately increased multiple where the **indemnity period** exceeds twelve months), the amount payable will be proportionately reduced.

This provision will not apply if **your claim** is for less than 10% of the **sum insured** for this item.

## Departmental provision

We will apply the cover provided by this section to each department of **your business** separately, if **your business** is conducted in departments, and each department has independent trading results which are ascertainable. For the purposes of this clause, the **standard rent receivable** from letting of property at the **premises** will be regarded as the proceeds of one such department.

## Government incentives

“**Gross profit**” is extended to include the loss of any Government approved incentives, subsidies or market development allowances **you** are entitled to in relation to **your business**. We will pay for the reduction in **your gross profits** in relation to **your business** where such interruption results from the loss of Government approved incentives, subsidies or market development allowances to which **you** would have been entitled.

## New Business

In the event of **damage** occurring at the **premises** before the completion of the first year’s trading of **your business**, the defined terms “**annual turnover**”, “**annual revenue**”, “**rate of gross profit**”, “**standard turnover**” “**standard revenue**”, shall instead have the following meanings wherever they appear in this section:

Term	Definition
<b>Annual turnover</b>	<b>Annual turnover</b> means the actual <b>turnover</b> achieved during <b>your</b> first year of operations, from the commencement of <b>your business</b> to the date of the <b>damage</b> , converted to a 12-month equivalent figure.
<b>Annual revenue</b>	<b>Annual revenue</b> means the actual <b>revenue</b> achieved during <b>your</b> first year of operations, from the commencement of <b>your business</b> to the date of the <b>damage</b> , converted to a 12-month equivalent figure.
<b>Rate of gross profit</b>	<b>Rate of gross profit</b> means the proportion that the <b>gross profit</b> bears to the <b>turnover</b> during the period between the date of commencement of <b>your business</b> and the date of the <b>damage</b> .
<b>Standard turnover</b>	<b>Standard turnover</b> means the <b>turnover</b> achieved between the date of commencement of <b>your business</b> and the date of the <b>damage</b> , converted to the selected <b>indemnity period</b> .
<b>Standard revenue</b>	<b>Standard revenue</b> means the <b>revenue</b> achieved between the date of commencement of <b>your business</b> and the date of the <b>damage</b> , converted to the selected <b>indemnity period</b> .

The above definitions may be used as necessary to calculate the trend of **your business** and for variations in or other circumstances affecting **your business** either before or after the **damage** or which would have affected **your business** had the **damage** not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the result which but for the **damage** would have been obtained during the relative period after the **damage**.

## Salvage sale

If, following **damage** giving rise to a claim under this section, you hold a salvage sale during the **indemnity period**:

- a. ‘Option 1 – insurable gross profit basis’, Item 1. Gross Profit.’, of this section shall, for the purpose of such claim, read as follows: In respect of reduction in **turnover**: the sum produced by applying the **rate of gross profit** to the amount by which the **turnover** during the **indemnity period** (less the **turnover** for the period of the salvage sale) shall, in consequence of the **damage**, fall short of the **standard turnover**, from which shall be deducted the **gross profit** actually earned during the period of the salvage sale.
- b. The definition of **shortage in turnover** shall, for the purpose of such claim, mean: the amount by which the **turnover** during a period (less the **turnover** for the period of the salvage sale) shall, in consequence of the **damage**, fall short of the part of the **standard turnover** which relates to that period, from which shall be deducted the pay-roll paid out of the proceeds of the salvage sale.

## Sum Insured

Our liability to you will in no case exceed in respect of each item the **sum insured** expressed against that item in the **schedule**. ‘Extra covers’ and “additional benefits” are within the total **sum insured** of this section and not additional to the total **sum insured**.

## Turnover Output

Where “business interruption” is covered under the **policy** and in the event of **damage** giving rise to a claim under this section, at your option, the word “**output**” may be substituted for the term “**turnover**” provided that only one such meaning (**turnover** or **output**) shall be operative in connection with any one **event** involving **damage**.

For the purpose of this section, “**output**” shall mean the sale and/or invoice value of goods manufactured and/or processed by you in the course of your **business** at the **premises**.

If you select the cover available under this clause, the clause headed “alternative trading” shall be altered to read as follows:

If during the **indemnity period**, goods are sold, work is performed or services are rendered elsewhere than at the **premises** for the benefit of your **business** either by you or by others acting on your behalf, the **money** paid or payable in respect of such sales, work or services will be brought into account in arriving at the **output** during the **indemnity period**.

## Underinsurance deletion

If the sum insured shown in the schedule for:

- a. ‘Insurable gross profit’; or
- b. ‘Annual revenue’,

has been calculated using the **LMI BICalculator** and your ‘GST exclusive sales income’ figures from your Business Activity Statement are as stated in the calculation from the approved calculator, then this clause will not apply.

- b. all such additional information that **we** may reasonably require and every demand, writ, summons, proceedings, impending prosecution or inquest and all reasonable documents relating to the claim or **occurrence** shall be forwarded to **us** as soon as practicable after they are received by **you**.

### 2. Your duties in the event of an occurrence, claim or suit

- b. **You** shall use the best endeavours to preserve all property, **products**, appliances, plant, and all other things which may assist in the investigation or defence of a claim or suit or in the exercise of rights of subrogation and, so far as may be reasonably practicable, no alteration or repair shall be affected without **our** consent until **we** have had a reasonable opportunity of inspection; and
- c. **You** shall, when so requested, provide **us** with details of any other insurances current at the time of any **occurrence**, and/or **personal injury** and/or **property damage** and/or **advertising injury** and covering any of the liability insured by this section.

If **we** do this, **we** will do it in **your** name. **We** have full discretion in the conduct of any legal proceedings and in the settlement of any claim. **We** will act reasonably having regard to **your** interests and will keep **you** informed if **you** ask **us** to. **You** must take reasonable steps to co-operate by giving **us** any statements, documents or assistance **we** reasonably require. This may include giving evidence in any legal proceedings.
- b. **We** may at any time pay to **you**, in respect of all claims against **you** arising directly or indirectly from one source or original cause:
  - i. the amount of the limit of liability or such other amount specified in respect thereof (after deduction of any sum(s) already paid by **us**, which sum(s) would reduce the amount of **our** unfulfilled liability in respect thereof); or
  - ii. any lesser sum for which the claim(s) can be settled.

- c. Upon making such payment, we shall relinquish conduct and control of, and be under no further liability under the **policy** in connection with, such claim(s) except for defence costs and supplementary payments:

**You** shall, where requested by **us** after the expiry of each **period of insurance**, provide to **us** such particulars and information as **we** may reasonably require as soon as reasonably practicable. **We** will adjust the premium payable for that period based on the amount of premium **we** would have charged had **you** provided the information contained in the records at the commencement of that period. Subject to retention by **us** of any minimum premium that may have been agreed upon between **us** and **you** at inception or the last renewal date of the **policy**, the difference must be paid by **you** or will be refunded by **us**.

#### 5. Cross liabilities

This insurance extends to each of the parties comprising of **you**, separately in the same manner and to a like extent as though policies had been issued in their separate names.

In particular, but without limiting the foregoing, this insurance shall indemnify each of the parties described as **you** in respect of claims made by any other of such parties.

#### 6. Inspection and audit

**We** shall be permitted, but not obligated, to inspect **your premises** and operations at any reasonable time and frequency. Neither **our** right to make inspections, nor **our** failure to make inspections, nor the making of any inspections, nor any report of an inspection shall constitute an undertaking, on behalf of or for the benefit of **you** or others, to determine or warrant that such **premises** or operations are safe or healthful or are in compliance with any law, rule or regulation.

**We** may examine and audit **your** books and records at any reasonable time and frequency during the currency of the **policy** and within three (3) years after the final termination of the **policy** but only with regard to matters which in **our** opinion are relevant to the **policy**.

Should **you** incur any legal liability which is not covered by this insurance:

- a. due to the application of an **excess**; and/or
  - b. where the amounts of any judgments or settlements exceed the applicable limit of liability,
- For the purposes of this section, **you** will be entitled to the first call on the proceeds of all recoveries made, by either **you** or **us**, on account of such legal liability until fully reimbursed for such uninsured amount or amounts (less the actual costs of making such recoveries where those costs are incurred by **us**) and any remaining amount(s) will be applied to reimburse **us**.

If a judgment or an amount required to settle a claim exceeds the limit of liability, our liability to pay costs and expenses under additional payments applicable to the consumer protection cover is limited to the proportion the limit of liability bears to the amount required to be paid to dispose of the claim and in all cases will not exceed \$50,000.

Our liability to pay compensation under insuring clauses (e) to (f):

for personal injury or property damage as a result of an occurrence shall form part of and not exceed the general liability limit of liability stated in the schedule for this section; or for products liability our total aggregate liability in respect of or in any way related to your products shall form part of and not exceed the products liability limit of liability stated in the schedule for this section.

## Limitations of cover applicable to the consumer protection cover for Queensland Electricians

### Seven (7) year limitation on claims

We will not accept any claims first notified to us after the expiration of seven (7) years from:

- b. if you did not issue a Certificate in relation to the work, seven (7) years after the date you stopped carrying out that work.

The cover under paragraphs (a), (b) and (e) of the insuring clause of this optional benefit will continue to apply even if you cease to be a licensed or registered electrical contractor before the end of that period and even if you cease to maintain the policy.

We will not pay for: -

### 1. Advertising Injury

Liability arising out of advertising injury.

### 2. Product liability

Liability arising out of a product defect provided that:

- a. We agree that if we intend to rely on this exclusion, we will bear the onus of establishing that the claim (or part of the claim) results from a product defect; and

### 3. Wear and Tear

Liability resulting from:

- a. fair wear, tear or depreciation of electrical work; or

Liability arising out of legal costs not directly or indirectly related to:

- a. the enforcement of the consumer protection cover; or
- b. a liability the consumer protection cover provides cover to you.

### 1. Limitation for common property

This clause applies if:

- a. electrical work is carried out on land in a plan of subdivision containing common property; and
- b. a claim is paid by us in relation to the common property.

We will reduce the amount we will pay under the consumer protection cover in respect of any one home on land in the plan of subdivision by an amount calculated by dividing the amount of the claim paid by us in relation to the common property by the number of homes on land in the plan of subdivision.

## 2. Limitation concerning non-completion of work

If **you** fail to complete **electrical work** for any reason then the consumer protection cover does not cover **you** for claims for the whole or a specified part of any payment made under a **contract** that exceeds the value of the **electrical work** completed at the time of payment.

## 3. Compliance with court orders

We agree to comply with any order made against **you** by a court, tribunal, external dispute resolution body of which **you** are a member or any other competent judicial body, in respect of any liability for which **you** are indemnified under the consumer protection cover (including any **excess** that **you** may be obliged to pay to us).

## 4. Deemed acceptance of claims

We agree to accept liability for a claim for **domestic electrical work** if we do not notify the person making the claim within 90 days from when we receive the claim in writing that we accept or dispute the claim, unless we obtain an extension of time from:

- a. the person making the claim in writing; or
- b. the Disputes Tribunal.

This clause does not apply to any liability arising out of **completed electrical works**.

We agree that if any term of the consumer protection cover conflicts, or is inconsistent, with the Electrical Safety Act 2002 (Qld) and the Electrical Safety Regulation 2013 (Qld) then the consumer protection cover is to be read and to be enforceable as if it complied with that legislation.

## 6. Domestic Electrical Work Claims and Non-disclosure

This clause only applies to **domestic electrical work**.

We agree that we will not refuse to pay a claim for **domestic electrical work** under the consumer protection cover on the ground that the consumer protection cover was obtained by misrepresentation, fraud or non-disclosure by **you** or anyone acting on **your** behalf.

**You** agree however, that if we make a payment under the consumer protection cover to, or for the benefit of, a **home owner** under the circumstances contemplated by this clause, by doing so we are not restricting our right to recover that payment from **you**.

## 7. Excess

**You** must pay us the **excess** specified in the **schedule** for each claim. **You** are not liable to pay an **excess** more than once in relation to any claim comprising more than one **defect** or two or more claims that relate to the same **defect**.

## 8. We must give effect to Certificates

This clause only applies to **domestic electrical work**.

If we give you a certificate stating that you are covered by this insurance, we agree that we will not refuse to pay a claim on that insurance under the consumer protection cover on the ground that the you have not paid the premium for the insurance.

You agree that if we make a payment under the consumer protection cover to, or for the benefit of a home owner under the circumstances in this clause, by doing so, we are not restricting our right to recover that payment from you.

## 9. Deemed notice of defects

We agree that if a person gives notice of a defect in writing to you or us, that person is to be taken for the purposes of the consumer protection cover to have given notice of every defect of which the defect notified is directly or indirectly related, whether or not the claim in respect of the defect that was actually notified has been settled.

## 10. Claimant may enforce the consumer protection cover directly in certain cases

We and you agree:

- a. that a person who is entitled to claim against you in respect of any liability for which you are indemnified under the consumer protection cover may enforce the consumer protection cover directly against us for the person's own benefit if:
  - any event under **domestic electrical work** performed in Queensland occurs; or
  - you refuse to make a claim against us; or
  - there is an irretrievable breakdown of communication between you and us; and
- b. that for the purpose of that enforcement the person has the same rights and entitlements as you would have had under any legislation applicable to you; and
- c. that we will pay to the person the full amount of any liability for which you are indemnified under the consumer protection cover despite any failure by you to pay any excess that you are required to pay.

## 11. Section 54 of the Insurance Contracts Act 1984 to apply

We acknowledge that Section 54 of the Insurance Contracts Act 1984 (Cth) applies to the consumer protection cover. We agree however that we will not rely on Section 54 to reduce our liability under the consumer protection cover or to reduce any amount that is otherwise payable in respect of a claim by reason only of a delay in a claim being notified to us if:

- a. the person who makes the claim notifies you either orally, or in writing; or
- b. that person or you notify us in writing:
  - as soon as reasonably possible after the person first became aware; or

2. Deemed acceptance of claims: In relation to **domestic plumbing work** only, if **we** do not notify **you** otherwise within 90 days of us receiving written notification of a claim being made against **you** that **we** accept or dispute the claim, **we** will be deemed to have agreed to indemnify **you** for the claim. This is subject to any extension of time that **we** get in writing from **you** or the Victorian Civil and Administrative Appeals Tribunal.
3. Misrepresentation, fraud or non-disclosure: We will not refuse to pay a claim under this cover in relation to **domestic plumbing work** on the grounds that this insurance was obtained by misrepresentation, fraud or non-disclosure by **you** or anyone acting on **your** behalf. However, if **we** have to pay a claim to or for the benefit of any building owner, **we** may bring a claim for recovery directly against **you** or anyone acting on **your** behalf.
4. Non-payment of premium: In relation to **domestic plumbing work** only if **we** issue a certificate stating that **you** are covered for the insurance set out in this extra cover, **we** will not refuse to pay a claim on the ground that **you** have not paid the premium. However, if **we** have to pay a claim to or for the benefit of any building owner, **we** are entitled to recover that payment from **you**.
5. Deemed notice of defect: If a person gives notice of a **defect** in writing to **you** or to **us**, that person is to be taken for the purposes of this cover to have given notice of every **defect** of which the **defect** notified is directly or indirectly related, whether or not the claim in respect of the **defect** that was actually notified has been settled.
6. Claimant may enforce this cover directly in some cases:

a person who is entitled to claim against **you** in respect of any liability for which **you** are indemnified under this cover may enforce this cover directly against us for their own benefit if; or

there is an irretrievable breakdown of communication between **you** and **us**; or  
the claim relates consequential financial loss reasonably incurred by any building owner as a result of any **defect** in, or non-completion of, **domestic plumbing work**; or  
a person is otherwise entitled to do so under the Insurance Contracts Act 1984 (Cth).

Notwithstanding this, we will not rely on Section 54 to reduce our liability under this cover or to reduce any amount that is otherwise payable in respect of any claim by reason only of a delay in a claim being notified to us, when:
  - the person who makes the claim against you notified you of the claim either orally or in writing; or
  - the person who makes the claim against you notified us in writing, within 180 days of the date when the person first became aware, or might reasonably be expected to have become aware, of some fact or circumstances that might give rise to the claim.
8. Cancellation: We may only cancel this cover in accordance with the law. If we cancel, we agree that cancellation of this cover will only take effect 30 days after we give notice to you and the Plumbing Industry Commission of Victoria of the proposed cancellation.
9. Notification of settled claims: We will notify the Plumbing Industry Commission of Victoria in writing of the settling or payment of any claim under this cover.
10. Claims co-operation: You must at our request, inspect, rectify or complete any plumbing work relating to a claim under this policy, unless the building owner or any person acting on their behalf refuses you access to the site. We may then reduce the amount of the claim by an amount that reasonably represents the cost resulting from the refusal.
11. Conflict with ministerial order: If the terms of this extra cover conflict, or are inconsistent with, the Ministerial Order known as the Licensed Plumbers General Insurance Order 2002 made under the Building Act 1993 (Vic), then you are insured in accordance with the terms of the Ministerial Order.

- b. direct physical loss of or physical damage to other **property insured** as a result of that **breakdown**,

## How we settle your claim

If we agree to pay a claim for **breakdown of machinery**, we will at our option (acting reasonably) repair, rebuild or replace any damaged item or pay for the cost of repairing, rebuilding or replacing. If we decide to replace the damaged item, we will replace the damaged property with similar property of a like kind, capacity, size, quality and function.

If it is necessary to replace parts that are unavailable, we will not pay more than the estimated cost of similar parts currently available. If the work of repairing, rebuilding or replacing the item is not commenced and carried out within a reasonable time period after the **breakdown**, we will not be liable to pay more than the cost necessary to repair, rebuild or replace the item at the time the **breakdown** occurred. We will extend this period to the extent that we caused or contributed to the delay.

Where the **breakdown** is confined to a part of a machine or structure, we will not pay more than the cost of repairing or replacing that part plus the cost of dismantling and erecting the structure.

In order to be sure that **you** are covered under this **policy** you should always contact us for approval before **you** incur costs **you** wish to claim. If **you** do not, we will pay for costs incurred up to the amount we would have authorised had **you** asked us first.

## Excess

The excess that applies is shown in the **schedule**.

## Limitations of cover

The maximum we will pay is the **sum insured** as shown in the **schedule** for the relevant **blanket machinery** or **specified machinery**.

1. In the event of **breakdown**, we will at our option (acting reasonably) pay to **you**, up to the **sum insured** less the applicable **excess**, the reasonable cost of repair or replacement necessary to return the **machinery** to their former state of operation including:

Where **you** incur extra expense, in complying with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority, in the course of effecting repair or replacement of the **machinery**, **we** will indemnify **you** for such extra expense.

Provided that the amount so recoverable hereunder shall not include the additional cost in complying with any such Act, Regulation, By-law or requirement with which **you** had been required to comply with prior to the **breakdown**.

3. All **machinery** which can be repaired must be repaired. However, should the item be uneconomical to repair due solely to the nature of the **breakdown**, settlement will be as follows:
  - a. the cost of replacement of the **machinery** by an item of similar function, type, capacity and quality in a condition equal to, but not better than, the condition of the **machinery** when new; or
  - b. the sum insured for the machinery.

5. Where components or manufacturer's specifications are no longer available due to obsolescence, the basis of settlement will be the cost which would have been incurred if the components or specifications had still been available.
6. If the **sum insured** for a **specified machinery** item is less than 80% of the value of the **specified machinery** item at the **premises** at the time of commencement of the **period of insurance** and there is a claim for **breakdown** to **specified machinery** **we** will pay for no greater proportion of the claim that the **sum insured** bears to 80% of the reinstatement or replacement cost of the **specified machinery** on the day of commencement of the **period of insurance**.

Under-insurance will not apply if the amount of the claim is less than 5% of the **sum insured**.

Every **specified machinery** item is separately subject to this clause.

## What you are covered for

Provided “Electronic Equipment Breakdown” is shown as taken in the **schedule** we will cover you for:

- a. breakdown of **electronic equipment** shown in the **schedule** which occurs at the premises; and
- b. direct physical loss of or physical damage to other **property insured** as a result of that **breakdown**,

provided that the **breakdown of electronic equipment** occurs during the **period of insurance**.

## How we settle your claim

If we agree to pay a claim for **breakdown of electronic equipment** we will at our option (acting reasonably) repair, rebuild or replace any damaged item or pay for the cost of repairing, rebuilding or replacing. If we decide to replace the damaged item, we will replace the damaged property with similar property of a like kind, capacity, size, quality and function.

If we agree that **you** can carry out the repairs at the **premises** or at a workshop owned by **you**, we will pay the actual costs of materials and wages incurred plus a reasonable overhead mark-up, provided that a qualified person carries out the repairs.

If it is necessary to replace parts that are unavailable, we will not pay more than the estimated cost of similar parts currently available. If similar parts are unavailable, we will not pay more than the manufacturers, or suppliers, latest list price. We will not pay any cost of repairing or replacing any part or parts of a piece of **electronic equipment** which is greater than the cost of repairing or replacing the entire piece of such **electronic equipment**.

If the work of repairing, rebuilding or replacing the item is not commenced and carried out within a reasonable time period after the **breakdown**, we will not be liable to pay more than the cost necessary to repair, rebuild or replace the item at the time the **breakdown** occurred. We will extend this period to the extent that we caused or contributed to the delay.

Where the **breakdown** is confined to a component or part of **electronic equipment**, we will not pay more than the cost of repairing or replacing that component or part plus the cost of dismantling and erecting the **electronic equipment**.

The maximum we will pay is the **sum insured** as shown in the **schedule**.

1. In the event of **breakdown**, we will at our option (acting reasonably) pay to you, up to the **sum insured** less the applicable **excess**, the reasonable cost of repair or replacement necessary to return the **electronic equipment** to their former state of operation including:
  - a. cost of dismantling, re-erection, cleaning up and removal of debris;
  - b. replacement of refrigerant or lubricating or insulating oil lost from **electronic equipment** as a direct result of **breakdown**;
  - c. changes for overtime work on public holidays where necessarily and reasonably incurred;
  - d. freight within **Australia** by any recognised scheduled service;
  - e. overseas air freight by any recognised scheduled service and/or overseas labour;
  - f. the cost of temporary repairs and/or hire of a temporary replacement item during the time taken to repair damage to any **property insured**; and
  - g. any customs duties and dues.

Provided that the total of all of these extra costs in clauses (1)(c), (1)(d), (1)(e) and (1)(f) are limited to 50% of the normal cost of repair payable under this part and shall be payable in addition to the **sum insured**.

2. Where you incur extra expense, in complying with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority, in the course of effecting repair or replacement of the **electronic equipment**, we will indemnify you for such extra expense.

Provided that the amount so recoverable hereunder shall not include the additional cost in complying with any such Act, Regulation, By-law or requirement with which you had been required to comply with prior to the **breakdown**.

3. All **electronic equipment** which can be repaired must be repaired. However, should the item be uneconomical to repair due solely to the nature of the **breakdown**, settlement will be as follows:
  - a. the cost of replacement of the **electronic equipment** by an item of similar function, type, capacity and quality in a condition equal to, but not better than, the condition of the **electronic equipment** when new; or
  - b. the **sum insured** for the **electronic equipment**.
4. Where we are not able to replace the **electronic equipment** exactly (for example, if exact **electronic equipment** is no longer manufactured), we will replace in a reasonable manner, up to the **sum insured**.

- 
5. Where components or manufacturer's specifications are no longer available due to obsolescence, the basis of settlement will be the cost which would have been incurred if the components or specifications had still been available.

## Excess

The excess that applies is shown in the schedule.

## Limitations of cover

### 1. Depreciation

If we decided to pay you the cost to replace a laptop computer, notebook or desktop computer rather than repair it, we will apply depreciation based on the age the computer, but not as a result of improvements in technology or functionality.

We will apply depreciation at the rate of 10% per annum for each year from the date of manufacture, subject to a maximum reduction of 80% of the installed current replacement cost.

### 2. Excess

You must pay the amount of any excess shown in the schedule for each claim you make.

## Additional benefits

If we agree to pay a claim under this section for **breakdown of electronic equipment**, we will also pay or provide the additional benefits set out below.

Any amounts payable under these additional benefits apply in addition to the **sum insured**.

### 1. Hazardous Substances

If a **hazardous substance** is involved in or released by a **breakdown** of the **electronic equipment** we cover you for the increase in cost to repair, replace, clean up or dispose of, **damaged property insured**.

You will not pay more than \$25,000 for each claim under this additional benefit.

### 2. Inflation protection

The **sum insured** on items of **electronic equipment** shall at the time of loss be increased according to the consumer price index by the proportion which the number of days since the commencement of the **period of insurance** shall bear to the whole of such period.

### 3. Repair costs

The cost of consulting engineers' fees (excluding fees for preparing a claim) necessarily incurred with our written consent, in the reinstatement of **electronic equipment**. Provided that where the **sum insured** is exhausted, we will pay an additional amount of up to \$5,000 in respect of this additional benefit.

#### 4. Restoration of computer data

We will insure you for the costs of restoring electronic data stored on media if:

- a. We have agreed to pay a claim under the electronic equipment breakdown section for repair or replacement of the **computer equipment**;

  - i. the erasure, destruction, corruption, misappropriation or misinterpretation of **electronic data**;
  - ii. any error in creating, amending, entering, deleting or using **electronic data**;
  - iii. the inability to receive, transmit or use **electronic data**; or
  - iv. the functioning or malfunctioning of the internet, intranet, local area networks, virtual private networks or similar facility, or of any internet address, website or similar facility,

except to the extent that such loss, damage or distortion results solely from the **breakdown of computer equipment** covered under the electronic equipment breakdown section.

If we agree to pay a claim, we will pay the costs incurred in restoring the lost or distorted **electronic data** in a condition equivalent to that existing prior to the **breakdown**. **Electronic data** may be reproduced in an updated form if the cost of doing so is no greater than that of reinstatement in its original form.

We will not pay more than \$15,000 for each claim under this additional benefit.

## 5. Computers – increased costs

We will insure **you** for the increased costs which **you** incur following the **breakdown** of **computer equipment** which we have agreed to pay a claim for under the electronic equipment breakdown section.

We will insure **you** for the increased costs of operating **your business**, including hiring computers, transport costs, additional personnel and working at an off-site back up facility if:

- a. We have agreed to pay a claim under the electronic equipment breakdown section for repair or replacement of **computer equipment**;
- b. the increased costs of working occur during the **period of insurance** and are a direct result of the **breakdown** covered under the electronic equipment breakdown section; and

- e. costs incurred after 90 days from the date of **breakdown**;
- f. expenses that are incurred in the replacement of the **media**; and
- g. the cost of reinstating the **electronic data** contained on the **media**.

If we agree to pay a claim, we will pay the actual amount of the increased costs of working, less the charges and expenses of the **business** that cease or are reduced as a consequence of the loss or damage.

We will not pay more than \$15,000 for each claim under this additional benefit.

## Extra cover

### 1. Additional Items

If **you** hire or purchase and commission at **your premises** any items similar to items already insured under this section, we will consider these items to be added to the insurance by this section, giving the same cover as for similar items already insured.
