GENERAL INFORMATION

Our agreement

We agree to provide **You** with the cover set out in each of the **Policy** sections which **You** have selected and that are listed on **Your Insurance certificate**. This cover is in force for the **Period of insurance** set out on **Your Insurance certificate**. **We** will cover **You** for loss, damage and/or liability occurring during the **Period of insurance**, subject to the terms and conditions of the **Policy**.

We will not pay any more than the sum insured or limit of liability for each section shown on **Your Insurance certificate** unless otherwise stated.

Who is insured under this policy

The persons or organisations that are covered by this **Policy** are shown on the **Insurance certificate**. In this **Policy**, those persons or organisations are referred to as '**You**' or '**Your**'.

If the **Policy** has been issued in the name of an individual person or persons it will also cover the **Policy** holder's spouse and any person living at the insured **Location** who lives with, and is a family member of, the **Policy** holder or the **Policy** holder's spouse.

We will extend the **Policy** to cover other persons or organisations requiring cover under this **Policy** if **You** have advised **Us** of them, and **We** have named them on the **Insurance certificate**. All persons or organisations covered by the **Policy** have to comply with the terms of the **Policy**. **We** may refuse to pay a claim or reduce the amount **We** pay if **You** or any person covered by the **Policy** does not comply with the terms of this **Policy**.

Financial Claims Scheme

Under certain parts of this **Policy**, **You** may be entitled to payment under the Financial Claims Scheme ('**FCS**') in the event of the insolvency of the **Insurer**. Access to the scheme is subject to eligibility criteria. Information about the scheme can be obtained from www.fcs.gov.au.

Wholesale insurance

Your Policy provides a number of covers which may or may not be provided to **You** as a retail client under the *Corporations Act 2001* (Cth) depending on **Your** circumstances. Only the parts of this document which are relevant to cover provided to **You** as a retail client and any other documents which **We** tell **You** are included at or prior to entry into **Your** insurance contract or where required or permitted by law, make up the PDS for the purposes of the *Corporations Act 2001* (Cth).

GENERAL CONDITIONS THAT APPLY TO EVERY SECTION OF THE POLICY

You must comply with any conditions of this **Policy** such as the conditions detailed below and the conditions applicable to the making of a claim. If **You** do not, **We** may reduce or refuse to pay a claim and cancel **Your Policy**.

Your obligations

You must keep **Your** buildings and contents, vehicles and other insured property in good condition and repair and always protect them as far as reasonably practicable. Good condition means that any insured asset/s has no damage, defects or maintenance needs which makes damage to **Your** property more likely. Some of the issues may include, but are not limited to: blocked gutters, rusted roof or gutters, roof not being water tight, presence of wood rot, termites, or any existing damage to timber, presence of holes in floors, walls, ceiling, or any other part of the property, stumps out of alignment or rotting, boarded up or broken windows, previous damage including damage caused by **Flood** which has not been repaired, property is infested with vermin, presence of exposed electrical wiring, leaking pipes, taps or plumbing fixtures. Any loss or damage caused by poor maintenance is not covered under this **Policy**.

You must also make reasonable efforts to protect **Your** buildings and contents and any other insured property from any loss or damage. If **You** make a claim and knew about something that could cause loss or damage to **Your** property and **You** did not make reasonable efforts to avoid it before the loss or damage occurred, then **Your** claim may not be paid.

If **You** do suffer loss or damage to **Your** property, **You** must also make reasonable efforts to prevent any further loss or damage.

You must obtain and maintain certificates of inspection for all equipment where this is required by any statute or regulation.

You must also use or store all hazardous, flammable, gaseous or toxic materials as required by any relevant law, statute or regulation.

Your duty to take reasonable care not to misrepresent

In relation to the Home Buildings and Contents cover and the Motor Vehicle cover under this **Policy**, **You** have a duty to take reasonable care not to make any misrepresentation when entering into, varying, extending or renewing the **Policy**.

This means that it is essential that **You** respond to **Our** specific questions honestly and to the best of **Your** knowledge. This also applies where **We** ask **You** to confirm or update information that **You** have previously given to **Us** when entering into, varying, extending or renewing the **Policy**.

To assist **You** with providing **Us** with honest and accurate responses to any questions **We** ask of **You**, **We** have endeavoured to ensure that any questions **We** ask are clear and easy to understand.

If **You** are unclear of any particular question or would like **Us** to explain it to **You**, please get in touch with **Us** and **We** will explain this to **You**.

In determining whether **You** have fulfilled this duty to take reasonable care not to make a misrepresentation to **Us**, **We** will consider all of the relevant circumstances of a particular case. If **You** do not respond honestly and accurately to specific questions that **We** ask, **We** may (acting reasonably) cancel **Your** contract or reduce the amount **We** will pay **You** if **You** make a claim, or both. It is therefore vital that **You** be honest and specific in **Your** responses. If **Your** failure to tell **Us** is fraudulent, **We** will refuse to pay a claim and treat the **Policy** as if it never existed (this does not mean that **We** will refund any premiums that **You** have already paid).

Duty of disclosure

In relation to all other covers under this **Policy**, **You** have a duty of disclosure. Before **You** take out this **Policy** with **Us**, **You** have a duty to tell **Us** anything that **You** know, or could reasonably be expected to know, that may affect **Our** decision to insure **You** and on what terms. **You** have this duty until **We** agree to insure **You**. **You** have the same duty before **You** renew, extend, vary, or reinstate **Your** contract of insurance.

WHAT YOU DO NOT NEED TO TELL US

You do not need to tell **Us** anything that:

- reduces the risk **We** insure **You** for;
- is common knowledge;
- **We** know or should know as an **Insurer**; or
- **We** waive **Your** duty to tell **Us** about.

IF YOU DO NOT TELL US SOMETHING

If **You** do not tell **Us** anything **You** are required to tell **Us**, **We** may cancel **Your** contract or reduce the amount **We** will pay **You** if **You** make a claim, or both.

If **Your** failure to tell **Us** is fraudulent, **We** may refuse to pay a claim and treat the contract as if it never existed.

Other insurances

At the time **You** make a claim, **You** must give **Us** written notice of any other insurance covering the property or legal liability which may also apply to **Your** claim. When a loss paid under this **Policy** is also recoverable under another policy and **We** have paid more than **Our** rateable share, **We** reserve the right to seek contribution from the other insurer or insurers.

Subrogation rights

If **You** or a person covered by this **Policy** have agreed not to seek compensation from another person who is liable to compensate **You** for any loss, damage or liability which is covered by this **Policy** **We** may not cover **You** under this **Policy** for that loss, damage or liability to the extent that **We** suffer prejudice as a result.

We have the right to take over and conduct in **Your** name the defence or settlement of any claim or to prosecute in **Your** name any claim for damages, indemnity, contribution or otherwise. The exception to this is where the person who is liable is **Your** family member or employee and the loss, damage or liability was not caused by their serious or wilful misconduct. **We** have full discretion in the conduct of any proceedings and in the settlement of any claim, taking in to account **Your** reasonable interests. **You** must give **Us** all such information and assistance as **We** may reasonably require in defending **You** or prosecuting in **Your** name.

Renewal

At least 14 days before **Your** insurance expires, **We** will send **You** a notice advising whether **We** are prepared to offer renewal of **Your** insurance and if so, the terms on which renewal will be offered. **You** are not obliged to renew **Your** insurance with **Us**.

Where **We** offer renewal, **We** may, in addition to or instead of asking specific questions, give **You** a copy of anything **You** have previously told **Us** and ask **You** to tell **Us** if it has changed. If **We** do this, **You** must tell **Us** about any change or tell **Us** that there is no change.

If **You** do not tell **Us** about a change to something **You** have previously told **Us**, **You** will be taken to have told **Us** that there is no change.

Your premium

Your premium is the amount that **You** need to pay to **Us** for **Your Policy**. On receiving **Your** application for insurance, **We** will advise the premium. **Your** premium is based on **Our** assessment of risk, including the covers **You** choose, the property and values **You** select, policy limits and **Excess** and **Your** insurance history. **Your** premium includes allowances for government charges, taxes or levies on **Your Policy**. **Your Policy** will not operate unless **You** have paid **Your** premium by the due date.

The premium is payable when **You** take out a new **Policy** and when **You** renew **Your Policy**. If **You** make changes to **Your Policy** **You** may need to pay an additional premium or **You** may be entitled to a refund. If **Your** premium payment is dishonoured by **Your** financial institution this **Policy** will not operate and **You** will not be covered in the event of a claim.

Evidence of value

Please retain receipts of purchase or proof of the value of all property insured under this **Policy** so that **You** can prove the amount of any loss if **You** have to claim under this **Policy**. If **You** cannot supply these, this may reduce the amount **We** can pay **You** for a claim **You** make under the **Policy**.

Changes that may affect Your policy

If there is any change or alteration to the information **You** have advised **Us** of in **Your** application for the **Policy**, **You** must notify **Us** in writing as soon as reasonably practicable. Any change or alteration **You** propose to make only becomes effective when **We** agree to the changes and **You** agree to pay any additional premium where required.

You must advise **Us** of any changes to the information **You** have previously told **Us** before **You** renew **Your Policy**. For example, **We** require information about:

1. change of farming activity;
2. any criminal convictions **You**, or persons who normally work with **You**, have recorded;
3. any deterioration in the condition of property;
4. alteration to any building which affects its safety or structural integrity; and
5. any changes in the occupancy such as if the property becomes unoccupied, or effectively ceases to be a working farm.

This is a part of complying with **Your** duty to take reasonable care not to misrepresent the **Insurer** or **Your** duty of

disclosure (as the case may be). If **You** do not comply with the applicable duty, **We** may refuse to pay part or all of a claim.

Your cooling off rights

You can return **Your Policy** to **Us** within 14 days of the date of issue of **Your Policy**, as shown on **Your Insurance certificate**.

If **We** receive **Your** written request to cancel this **Policy** within the 14 days period, **We** will cancel the **Policy** effective from the policy commencement date, and give **You** a full refund (less any taxes, duties or commissions payable that **We** are unable to refund).

You cannot use this right where, before the 14-day period ends, **You** have exercised any of **Your** rights or powers under the **Policy** (e.g., **You** have made a claim). After the cooling off period ends **You** still have cancellation rights under the **Policy**. These rights are documented below.

Cancellation by You

You may cancel the **Policy** at any time by notifying **Us** in writing. **We** will refund the unused proportion of **Your** premium (less any commissions, taxes and charges that **We** are unable to recover) unless **You** have exercised any of **Your** rights or powers under the **Policy** (e.g. **You** have made a claim). If **You** have made a claim under the **Policy**, the premium will be deemed fully earned and non-refundable.

Cancellation by Us

We may cancel the **Policy** in certain circumstances as permitted by the *Insurance Contracts Act 1984* (Cth), (as amended), by giving **You** notice in writing. Some examples are:

1. if **You** do not pay the premium;
2. if **You** do not comply with **Your** duty to take reasonable care not to misrepresent (where applicable);
3. **You** do not comply with **Your** duty of disclosure or if **You** make a misrepresentation to **Us** before the issue of the **Policy**;
4. if **You** do not comply with a provision of the **Policy**;
5. if **You** make a fraudulent claim under the **Policy** or some other **Policy** (whether with **Us** or another **Insurer**); or
6. if **You** do not comply with **Your** duty of utmost good faith.

Notice of cancellation can be delivered personally or posted to **Your** address as shown on the current **Insurance certificate**. It will be effective at the earliest of:

- 4pm on the 3rd business day after the date on which

We give **You** notice or at the time shown on the notice of cancellation (whichever is the latest); or

- when **You** have taken out cover with another **Insurer**.

We will refund the unused proportion of **Your** premium less any commissions, taxes and charges that **We** are unable to recover.

Discharge of liabilities

At any time, **We** can pay to **You** or on **Your** behalf, for all claims made against **You** for any one occurrence:

1. the limit of liability of the section under which the claim is made, after deducting any amounts already paid; or
2. any lower sum for which the claim may be settled.

If **We** do so:

- the conduct of any outstanding claim(s) will become **Your** responsibility; and
- **We** will not be liable to pay any further amounts other than costs, charges, or expenses that **We** agreed to pay before **We** made the payment referred to above.

Fraudulent claims

If **You** make a claim under this **Policy** which **You** know is fraudulent in part or in its entirety, **We** may deny that claim and cancel the **Policy**.

Goods and Services Tax ('GST')

If **You** are entitled to an input tax credit on any part of the premium **You** paid for this **Policy**, the sums insured and any sub limits or limits of liability stated in the **Policy** are exclusive of GST to the extent of **Your** input tax credit entitlement.

If **You** are not entitled to an input tax credit on **Your Policy** premium, all sums insured, sub limits or limits of liability stated in the **Policy** are GST inclusive.

In situations where **We** make a cash payment to **You** for the purchase of goods or services for which **You** are entitled to claim an input tax credit, **We** will only pay **You** an amount that is equal to **Your** net cost i.e., **Your** cost after claiming input tax credits.

The **Policy** does not cover any amount of GST, or any fine, penalty or charge that **You** are liable for because of a failure to disclose or a misstatement made by **You**, in relation to **Your** entitlement to an input tax credit for the premium. **You** must tell **Us** if **You** become aware that the extent of **Your** entitlement to an input tax credit for **Your** premium disclosed to **Us** is incorrect.

Jurisdiction

All disputes arising out of or under this **Policy** will be subject to determination by any court of competent jurisdiction within **Australia** where **You** or **Your** insured property is located.

The language of this **Policy** and all communications relating to it will be in English.

Third Party rights

Subject to any rights a third-party beneficiary may have pursuant to the *Insurance Contracts Act 1984* (Cth), no third party will be able to enforce any rights under this **Policy**.

Limits and Excess

We will not pay more than the sum insured in respect of any claim other than those benefits that are identified as payable in addition to the sum insured. **You** must pay the amount of any **Excess** for each claim **You** make. If more than one **Excess** can be applied to one occurrence, then **You** will only need to pay the highest **Excess**.

Pairs, sets or collections

If any article is part of any pair, set or collection and is lost or damaged, **We** will not pay for more than the actual value of the lost or damaged article.

Single Policy only for multiple insureds

Our limit of liability stated in this **Policy**, shall remain **Our** maximum limit of liability regardless of the number or type of insureds or number of claims under this **Policy**.

Single occurrence

We will not pay for loss or damage to property covered by the **Policy** under more than one section of the **Policy** in respect of the same item and occurrence unless the sum insured has been paid out in full under one section and **You** have not been fully covered for the loss or damage.

Confirming transactions

We may agree to send **Your Policy** documents and **Policy** related communications electronically. This will be by email and/or other types of electronic communication methods. **Policy** documents and **Policy** communications will be provided to **You** in this way until **You** tell **Us** otherwise or **We** tell **You** it is no longer suitable. If **We** agree to communicate with **You** electronically, **You** will need to provide **Us** with **Your** current email address and **Your** Australian mobile phone number. Each electronic communication will be deemed to be received by **You** at the time it leaves **Our** information

system. **You** may contact **Us** in writing or by phone to confirm any transactions under **Your** insurance if **Your** adviser does not already have the required **Policy** confirmation details.

Terrorism and Cyclone Insurance Act 2003 (Cth) (Notice)

We have treated this **Policy** (or part of it) as a policy to which the *Terrorism and Cyclone Insurance Act 2003* (Cth) (**TCIA**) applies. **TACIA** and the supporting regulations made under the **TCIA** deem cover into certain policies and provide that the terrorism exclusion to which this **Policy** is subject shall not apply to any “eligible terrorism loss” as defined in **TACIA**. Any coverage established by **ATACIA** is only in respect of any “eligible terrorism loss” resulting from a “terrorist act” which is a “declared terrorist incident” as defined in **TACIA**. The terrorism exclusion to which this **Policy** is subject applies in full force and effect to any other loss and any act or event that is not a “declared terrorist incident”. All other terms, conditions, insured coverage and exclusions of this **Policy** including applicable limits and **Excess** remain unchanged. How We will pay Your claim

INDEMNITY

If **Your Insurance certificate** shows the basis of settlement as ‘Indemnity’ **We** will pay up to the relevant sum insured, or any lesser limit that applies, to repair, reinstate or replace the damaged or destroyed **Farm Building** to the condition it was in immediately before the destruction or damage occurred. In assessing **Your** claim, **We** will deduct an amount for wear, tear and depreciation irrespective of whether the **Farm building** or item is partially damaged or totally destroyed.

Where **Your Insurance certificate** does not show that the basis of settlement is “Indemnity” claims will be settled as follows:

FARM BUILDINGS

If **Your Farm buildings** are insured and **We** agree to accept **Your** claim, **We** will pay up to the relevant **Farm building** sum insured, or any lesser limit that applies, less any applicable **Excess**.

Following collaboration with **You**, at **Our** option **We** will either:

1. repair or rebuild as new any destruction or damage to **Your Farm building** caused by an insured event; or
2. pay **You** the cost of repairing or rebuilding as new based on the lesser of:
 - a. the cost of rebuilding or replacement less an allowance for depreciation based on the age and condition of the **Farm building** before the destruction or damage; or
 - b. the pre-damage value less the damaged value of the property.

We will only pay to repair or rebuild that part of **Your Farm building** that was damaged. **We** do not cover any additional expenses to replace undamaged parts of **Your Farm building** to create a uniform appearance.

Where the original materials used to build **Your Farm building** are not readily available in **Australia**, **We** will pay for the cost of materials **We** reasonably believe to be of a similar kind or quality.

FARM CONTENTS

If **Your Farm contents** are insured and **We** agree to accept a claim, **We** will pay up to **Your Farm contents** sum insured, or any lesser limit that applies to the property, less any applicable excesses.

If **Your Farm contents** are lost or damaged by an insured event **We** will repair or replace any lost or damaged item or, at **Our** discretion, taking in to account **Your** reasonable interests, pay **You** the reasonable cost of repairing or replacing the item based on the amount that it would have cost **Us** to replace it provided the cost is available to or actionable by **You**.

Where **We** can, **We** will match materials and contents or where this is not reasonably possible or practicable, use materials and contents that in **Our** reasonable opinion match as near as reasonably possible.

FARM CONSUMABLES, HAY OR GRAIN OR WOOL

If **Your Farm consumables, Hay or Grain or Wool** are insured and **We** agree to accept a claim, **We** will pay what **You** would have received for the sale of the consumables, **Hay or Grain or Wool** at the time of the event which caused the damage or destruction. If the damaged or destroyed items were for **Your** own use **We** will repair or replace the items or, at **Our** discretion, taking in to account **Your** reasonable interests, pay **You** the reasonable cost of repairing or replacing the items based on what it would cost **Us** to repair or replace the items provided that cost is available to or actionable by **You**.

Our liability will not exceed the sum insured shown on **Your Insurance certificate** for these items at the **Location** at which the loss or damage occurred. **Our** liability will be reduced by any residual sale value remaining for the damaged consumables, produce, **Hay or Grain or Wool** immediately following the damage.

FARM MACHINERY

If **Your Farm machinery** is insured and **We** agree to accept a claim, **We** will settle that claim on an indemnity basis up to the relevant sum insured or any lesser limit that applies to the damaged **Farm machinery**. **Our** liability will be based on

the cost to repair or replace the damaged **Farm machinery** less an amount for wear, tear and depreciation.

- is **Damaged** to such an extent it cannot be repaired; or

Unspecified mobile plant means machinery and equipment of a similar nature, type and function as those listed on **Your Insurance certificate** and/or that corresponds with **Your Farm business**. It does not include any sedans, utility vehicles, 4x4s and station wagons or other ‘motor vehicles’ within the meaning of the *Corporations Regulations 2001* (Cth).

We will cover other tools, non-standard accessories or modifications complying with the applicable **Vehicle** registration requirements in-force at the time of the loss, up to a maximum of \$5,000 or the amount shown in **Your Insurance certificate**. **Vehicle** also includes any option, accessory or modification that **You** have told **Us** about, that **We** have agreed to cover and which is shown on **Your Insurance certificate**.

It does not include any other contents of the motor **Vehicle** or trailer(s) which are not built in.

If **Your Vehicle** is listed as being comprehensively insured on **Your Insurance certificate** then the following Optional Benefits can be added to **Your** insurance cover for an additional premium. If taken out and cover is provided, the Optional Benefit will be shown on **Your Insurance certificate**.

EXCESS FREE WINDSCREEN COVER

Where **Your Insurance certificate** shows 'Excess Free Windscreen Cover', **We** will pay the cost of replacing or repairing the windscreen or window glass of **Your Vehicle** if it is **Accidentally** broken.

We will only pay this cost if the breakage of **Your** windscreen or window glass involves a fracture extending through the entire thickness of the glass.

The most **We** will pay to have **Your** windscreen or window glass repaired or replaced is limited to the number of times set out on **Your Insurance certificate**.

Unspecified mobile plant (Blanket) Cover

Where **Your Insurance certificate** shows 'Unspecified mobile plant (Blanket) Cover', and **Your Unspecified mobile plant** is **Accidentally Damaged** or stolen, **We** will, at **Our** option, either:

- **Repair or reinstate** the **Unspecified mobile plant** to a condition substantially the same as, but not better than, its condition immediately before the **Accident** up to the estimated **Market value** immediately prior to the loss or **Damage**;

The most **We** will pay for a claim under this Additional Benefit is set out in **Your Insurance certificate**.

We will also cover **Your Legal liability** arising from the use of such **Unspecified mobile plant** in connection with **Your Farm business** and first happening during the **Period of insurance** in accordance with the **Legal liability** cover (Third Party) section below.

How We will pay Your claim

When **We** agree to pay a claim for loss or **Damage** to **Your Vehicle** **We** will, at **Our** option, either:

- repair, reinstate or replace **Your Vehicle** to a condition substantially the same as, but not better than, its condition immediately before the **Accident**; or
- pay the amount of the loss, **Damage** or theft to **You**.

If **Your Vehicle** is listed on **Your Insurance certificate** as being insured on a **Market value** basis, the amount that **We** pay will not exceed the **Market value** at the time of the loss.

If **Your Vehicle** is listed on **Your Insurance certificate** with a **Sum insured**, the amount that **We** pay will not exceed the lesser of the **Sum insured** or the **Market value** at the time of the loss.

Our settlement in the above situations will be reduced by the amount of **Your** entitlement to any input tax credit.

TOTAL LOSS CLAIMS

Your Vehicle is a **Total loss** if it is:

- **Damaged** and **We** consider that the cost of repairing it is uneconomical; or
- **Damaged** to such an extent it cannot be repaired; or
- if it is stolen and **We** consider that all reasonable lines of enquiry to locate it have been exhausted.

Where **Your Vehicle** is a **Total loss** and **You** have been granted indemnity under this section:

- cover under **Your Policy** for that particular **Vehicle** ends and **You** are not entitled to any return premium in respect of the **Vehicle**; and/or
- **We** may elect to take the remains (including any salvageable parts) and ownership of **Your Vehicle** by giving **You** written notice.

When **We** acquire the remains of **Your Vehicle**, **We** immediately acquire an equitable interest in the **Vehicle** to the full extent of **Your** interest in the **Vehicle** (including any interest that may be attributable to any applicable **Excess**).

You are then required to take all necessary steps, at **Your** cost and as soon as reasonably practicable, to transfer the legal title to the **Vehicle** to **Us** or to **Our** nominee and, at **Our** cost, give possession of the **Vehicle** to **Us** or to **Our** nominee. If **You** fail to comply with the above requirements, **We** may reduce the amount of **Our** claim payment in respect of the **Vehicle** by the amount of any prejudice suffered by **Us** as a result of

Your inaction. (For example, if **Your** failure to comply results in a reduction in **Our** share of the **Vehicle's** sale proceeds).

We will sell the remains of the **Vehicle** and deal with the sale proceeds on the following basis:

- if the **Vehicle's Sum insured** is less than its **Market value**, **We** will retain the proportion of the proceeds of the sale as the **Vehicle's Sum insured** bears to its **Market value**, and **We** will account to **You** for the balance;
- if the **Vehicle's Sum insured** is 100% or more of its **Market value**, **We** will retain all the proceeds of sale; or
- if any interested party named in **Your Insurance certificate** has an interest in **Your Vehicle**, **We** may pay the claim payment and **Your** share of the proceeds of the sale of the **Vehicle** to that party to the extent of its interest in the **Vehicle** and pay the balance remaining thereafter (if any) to **You**. Distribution of the claim payment in this way will be full discharge of **Our** obligations under the **Policy** and **Our** liability in regard to the loss irrespective of what portion of the payment **You** receive.

REPLACEMENT NEW VEHICLE

If **Your** comprehensively insured **Vehicle** is declared a **Total loss** within 1 year (or within 2 years if **Your Vehicle** is a sedan or a utility with a carrying capacity of less than 2 tonnes) of the starting date of the original registration or, if unregistered, the relevant compliance or commission date (whichever is the later), **We** will at **Our** option, replace **Your Vehicle** with a new **Vehicle** of the same make, model or series. **We** will also pay for the on-road costs (excluding registration and compulsory third-party insurance) of the new **Vehicle**.

If a similar replacement **Vehicle** is no longer available, **We** will pay **You** the **Sum insured** as shown on **Your Insurance certificate** or the **Market value** at the time of the **Accident**, whichever is the lesser, less the amount of **Your** entitlement to any input tax credit.

EXCESSES

At **Our** discretion, **Your Excess** will be:

- paid by **You** to the repairer when **You** pick up **Your Vehicle** after it has been repaired;
- paid by **You** to **Us** once **We** have accepted a claim; or
- deducted from the amount **We** pay **You** in respect of an accepted claim.

You will not have to pay an excess if:

- the **Damage to Your Vehicle** was caused by another **Vehicle** and **We** agree that **You** are not at fault, and **You** are able to identify the other **Vehicle** and provide its registration number, the owner's name, home address and phone number; or
- the **Damage to Your Vehicle** did not involve another **Vehicle** and **We** agree that **You** are not at fault and **You** are able to identify the responsible party and provide their name(s), home or business address(es) and telephone number(s).

TYPES OF EXCESS

The types of **Excess** and the amount payable are shown on **Your Insurance certificate**. All **Excess** amounts are GST inclusive.

Depending on the circumstances of the **Accident** the following excesses may apply:

BASIC EXCESS

This **Excess** is listed on **Your Insurance certificate** and is the first amount **You** must pay on each claim.

DRIVER EXCESSES

These **Excesses** are payable in addition to **Your** basic **Excess** if, at the time of the **Accident**, the person driving **Your Vehicle** is:

- 21 years of age and under – an additional **Excess** of \$1,250 applies;
- 22 to 24 years of age inclusive – an additional **Excess** of \$750 applies;

You do not have to pay the driver **Excess** if **Your**:

- **Vehicle** is stolen or **Damaged** as a result of theft; or
- claim relates to replacement of windscreen or window glass under the Optional Benefit for 'Excess free windscreen cover'; or
- claim relates to self-propelled or towed **Farm machinery**.

TIPPING EXCESS

The basic **Excess** shown on **Your Insurance certificate** will be increased by 100% if at the time of an **Accident**, **Your Vehicle** is a tip truck or tip trailer (or coupled with a tip trailer i.e. a **Combined unit**) and the tipping hoist is partially or fully extended.

If **Your Vehicle** was a **Combined unit** at the time of the **Accident** and the claim is solely for **Legal liability** under the Legal liability (Third Party) cover of this section, the basic **Excess** applicable will be that which is the highest basic

Excess applicable to any insured **Vehicle** forming part of the **Combined unit**.

ADDITIONAL OR IMPOSED EXCESS

An additional or imposed **Excess** may also be applied to **Your** insurance. If **We** apply an additional or imposed **Excess**, **You** will be advised in writing and the **Excess** will be shown on **Your Insurance certificate**. This **Excess** will apply in addition to any other **Excess** applicable to **Your** claim.

Legal liability cover (Third Party)

The most that **We** will pay for a **Legal liability** claim arising directly or indirectly from any one **Accident** is \$20,000,000 or the amount shown on **Your Insurance certificate**, whichever is the lower. This amount includes all legal costs incurred with **Our** consent for which **You** have a **Legal liability**.

If **Your Vehicle** is listed as being insured for '**Legal liability**' on **Your Insurance certificate**, **We** will provide the following cover.

SUPPLEMENTARY THIRD PARTY INJURY

We will cover **Your Legal liability**, including costs and expenses to defend any proceedings, to pay compensation for **Injury** caused by and arising from the use of **Your Vehicle** during the **Period of insurance**, if **Your Vehicle** is registered for use, and being used, on a public road when the **Legal liability** is incurred, provided that the event or series of related events that gave rise to the **Legal liability**, or any part of it, is not covered or indemnified in any way by any statutory or compulsory insurance policy (or any statutory or compulsory insurance) or any compensation scheme or fund.

In addition to the [‘General Exclusions that apply to all sections of this Policy’](#), and the What We do not cover section below, **You** are not insured under this Legal liability cover (Third Party) section for:

- is being driven or operated by or in the charge of a person who does not have a driver’s licence when required by law to have one or that person is not correctly licensed to drive **Your Vehicle**. **We** will only apply this exclusion where **We**, acting reasonably, consider that **You** were aware or had reason to suspect that the driver was not licenced or properly licensed, and **You** do not agree that **We** may recover any claim costs from such person, and to use **Your** best endeavours to assist **Us** with that recovery;

Subject at all times to this exclusion, **We** will pay no more than the amount shown on **Your Insurance certificate** for ‘Dangerous goods Liability’ for all claims for compensation that arise from the one **Accident** if **Your Legal liability** is caused by the transport or storage of **Dangerous goods**, unless **You** are able to demonstrate on the balance of probabilities, that the **Legal liability** was not caused or contributed to by the **Dangerous goods** or their inherent dangerous nature.
